**Welcome to Mississippi - Acclaimed by travelers as most representing *Your True South!***

The Bed and Breakfast Owners of this great state welcome you to create pleasant memories by experiencing our well-known southern hospitality and enjoying our gardens, porches, parlors, guest rooms and breakfast tables. We are a diverse collection of homes, each a unique reflection of past and present influences. Our owners and innkeepers are eager to share our state's culture and heritage with you. Uniquely appointed guest rooms, homemade recipes, special treats and creative packages are just a few of the special amenities you'll find at our Bed and Breakfasts that are inspected to high standards to insure you a consistent guest experience.

Mississippi is a lush state, legendary for cultural inspiration, birthplace of American music and rich in history, nightlife, beaches, and people. Just stop by our web site [www.missbab.com](http://www.missbab.com) and explore our region, city and member B&B pages to see and experience all there is to do in Mississippi. Enjoy from the heart of the Delta through our Hills and Pines, and across the Capital River area to the Gulf Coast. Follow the majestic Mississippi River, explore our Blues Trail, Civil War Trail or our many historic routes including the Natchez Trace. Enjoy the B.B. King and Elvis Presley birthplaces. Delight to learn Jim Henson, Morgan Freeman and Eudora Welty are all from Mississippi and have restaurants and museums to celebrate them.

Whatever you are here to experience we are certain to have a B&B owner or innkeeper ready to greet you at the door at checkin and at the breakfast table each morning. We take great pride in providing our tourists with true southern hospitality and we hope that you will choose to see *Mississippi One Porch at a Time...*

Sincerely,  
Ronald S. Fry  
President
