

Save the Date

BBAM Annual Statewide Conference January 14-16, 2018 Old Capitol Inn, Jackson, MS

January 14-16 2018 BBAM is going back to its roots. We are going to be holding our own conference, we are no longer affiliating with the Governor's Conference on Tourism in September. The goal of OUR conference is to keep our members current with all the new technology and new marketing opportunities that affect our unique industry. But, the most important reason to attend the conference is to network with the rest of the members from around the state. We need each other to band together to solve the problems that affect our industry. It is easier to solve problems together as a team rather than by yourself. As an added bonus there will be an exhibitor marketplace exhibiting products specific to the B&B industry. So save the date to gather in Jackson at the Old Capitol Inn with your peers to renew and rejuvenate and get the new year off to a fast start.

Warmest Regards,
Richard Chenoweth, President
