*EXPERIENCE THE ART &  
SOUTHERN HOSPITALITY OF OUR  
MISSISSIPPI BED & BREAKFASTS*

*VISIT MISSISSIPPI  
One Porch at a time*

[www.missbab.com](http://www.missbab.com)

Welcome to Mississippi—  
acclaimed by travelers as most  
representing Your True South!

The Bed and Breakfast Owners  
of this great state welcome you  
to our gardens, porches, parlors,  
guest rooms and breakfast tables.

We are a diverse collection of  
homes, each a unique reflection of past and present  
influences, whose owners are eager to share our state's  
culture and heritage with you. Uniquely appointed guest  
rooms, homemade recipes, special treats and creative  
packages are just a few of the special amenities you'll  
find at our Bed and Breakfasts that are inspected to high  
standards to insure you a consistent guest experience.

Whatever you are here to experience we are certain  
to have a B&B owner or innkeeper ready to greet you  
at the door at checkin and at the breakfast table each  
morning. We take great pride in providing our tourists  
with true southern hospitality and we hope that you  
will choose to see Mississippi One Porch at a Time...

Sincerely,

Richard Chenoweth

President | Bed and Breakfast Association Mississippi
